Thank you for contacting us. You will find that our company will meet or exceed all the necessary qualifications to produce an excellent product in a timely manner for all our projects. This statement is well supported by the content on our website, testimonial letters, and our extensive body of work. Many of your neighboring communities have already discovered why we are the "Contractor of Choice" for architectural signage. We are proud of our excellent track record.

Bravo Sign & Design is a full-service sign company designing, building and installing everything from major monument signs, entryways, building letters, plaques, and wayfinding signage. We are licensed Sign Contractors, as well as General Engineering Contractors. This allows us to complete the most complex signs and architectural elements "Turnkey". You can do it all with great control, and with one qualified contractor, if you choose. Additionally, we are bondable for your security, if required.

Our team at Bravo is made up of administrative staff, contract files, Sales and Estimating, Graphics, Purchasing, Production Management, Fabrication and Installation Crews. Between

us, we bring over 120 years of Sign Experience. Please contact any of our staff members at 714-284-0500
