

## **Bravo Sign & Design in Anaheim recently completed these beautiful monument signs.**

### ***City of Diamond Bar Monument Sign***

The city of Diamond Bar monument sign is a unique design of material. The column is covered with Rock Mountain Ledge stone.

The corten steel panel is laser cut out city design with LED backlighting. The letters are flat cut aluminum painted Duranodic Bronze.

### ***UCI Bridge Sign***

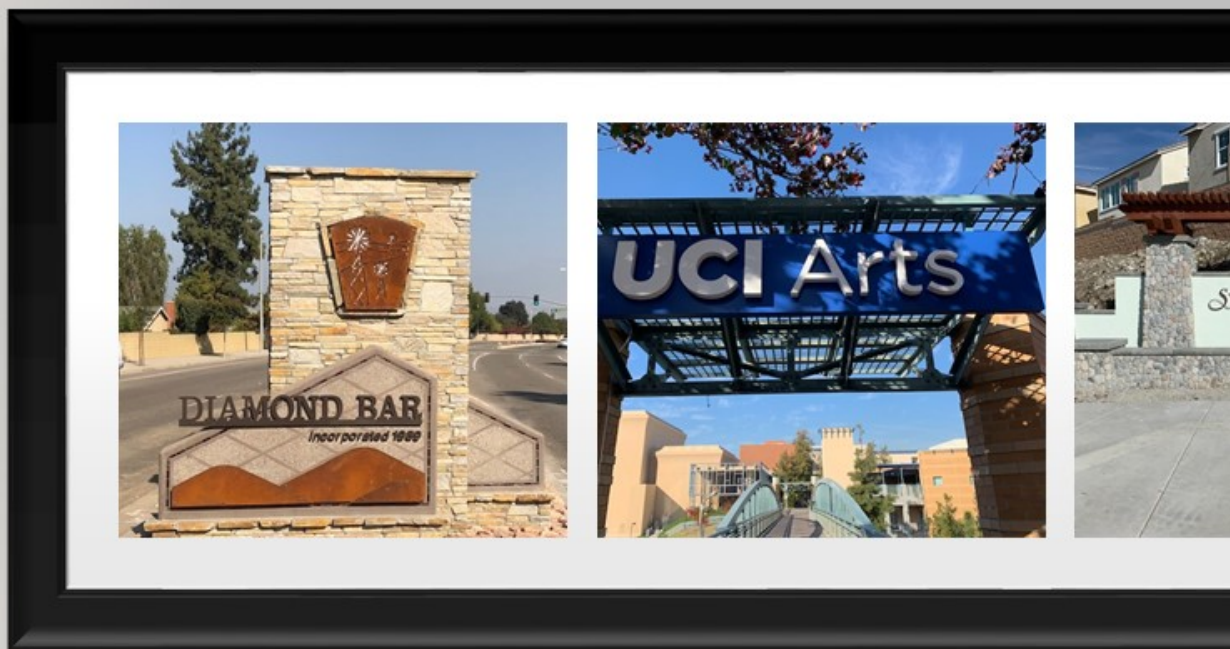

Bravo Sign provided and installed the UCI Bridge Sign. Fabricated aluminum sign cabinet painted blue. The lettering is projection

mounted reverse channel halo lit letters painted white. Installed on the Art Bridge at the University of California Irvine.

### ***Sycamore Hill Community Upland***

Bravo Sign build this Community Monument Sign. We fabricated and build this beautiful wood trellis in our shop in Anaheim.

The column is covered with real River Rock veneer. The letters and logo are cut out aluminum with a faux rust finish.
